## Droitwich Archery Spring Tournament

This tournament is intended as a relaxed and enjoyable “season opener”. Although it is Record Status we hope that newcomers to the sport will attend, maybe even as their first tournament. For the more serious archer, there are plenty of National Records up for grabs.

By allowing all archers to chose the round most suited to them we hope to broaden the appeal of the event as much as possible, but it makes awarding any trophies almost impossible, due to the number of variables involved in the calculations. We plan to make some awards, possibly involving lots of cake.
