

Results for the Malvern Archers

12th Open Nationals

Incorporating the CWAA Novice Championship

July 24th 2016

Venue: Malvern College Sports Fields, Malvern

Lady Paramount: Ms Carol Brown

Judges: Mr. Andrew Leadbetter and Mr Andrew Stanford

The Archers were treated to slightly more challenging conditions than we have enjoyed for the last couple of years, with a strong changeable breeze and a short rain shower. This resulted in some Archers suffering in the first couple of ends, but gave us some close competitions in the final stages as they came back into contention.

In total 88 archers shot this year, with good representation from County and Regional clubs but we also had a few Archers that had travelled a significant distance to take part. Thank you for your support, I hope you all had an enjoyable day.

Though it gave me a bit of a challenge when it came to the results, it was fantastic to see all bow types represented through the junior distances and we were very pleased to see a British junior and a Welsh junior record claim being submitted by Becki Chilcott and Lidia Stamp respectively, very well done girls.

Our sincere thanks to the officials on the day, Andrew Leadbetter and Andrew Stanford who did a splendid job. Thanks also to our Lady Paramount Carol Brown, making a very welcome return to Malvern where she was our Judge in charge for many years.

My last word of thanks must go to our fabulous support team from Malvern Archers without whom we would not have been able to run the shoot, thank you all.

We look forward to your company next year.

Paul Willetts - Tournaments Officer, Malvern Archers
