

Results for the County of Worcester Field Archery Championships

October 7th, 2017

**Venue: March Hare Field Archery Club, Throckmorton Shooting Ground, Throckmorton, Pershore,
United Kingdom**

Gentleman Patron: Dave Harris (President County of Worcester Archery Association)

Judge: Mr Andrew Stanford

A new organising group took over the running of this shoot from Eric Thomas. We wish to thank him for all the work he has put in to organisation for a number of years.

A little light rain early and late visited the shoot, though it did not affect shooting significantly.

The numbers of archers shooting was a little down on previous years, which we hope to reverse next year.

A new handicap system was put in place based on the mathematical equations used to generate the Archery GB target handicap tables

As in previous years first place in each division is awarded to the highest made score. The award of second and third places is made on a handicap-adjusted basis.

Our thanks go to our hosts March Hare Archers who provided us with a shooting ground and most excellent catering. Thanks also to our judge for the day Andrew Stanford. Finally thanks to Dave Harris as Gentleman Patron who got most of the scores collected in and collated while others were still shooting, so we could hold a timely awards presentation.
